

Kickapoo Volleyball 2019

Below you will find specific information about each game and some other events we have going on through the season. This is as accurate as possible for right now. You will be notified of any changes.

A note about practice times – in the beginning of the season we will practice until 5:30pm. Players are released when all equipment is accounted for and put away. We will eventually move to ending at 5:00 or 5:15 and that will be communicated. Practices that do not occur during the normal school days are listed in this schedule.
