

Kickapoo Volleychief Parents,

We are kicking off the letter writing campaign for 2019! As you heard at the parent meeting the letter writing campaign is one of the largest fundraisers for the Volleychiefs, last year raising over \$5800 for the program.

On Tuesday, August 27th, Kickapoo will host the jamboree. We would like for each player to bring at least 10 stamped and addressed envelopes to send to friends, family, and businesses they have a connection to. Paige King and Joselyn Baldner will be there early at 4 pm, during pictures to collect all the envelopes. We will have some envelopes with us on the 27th if you need any, but please provide the stamps so that the booster club doesn't have to use funds to mail them.

If a donation is received in your name, a personal thank you note and team picture will be sent to each donor.

If you have any questions please call or text, Joselyn 417-693-0704 or Paige 417-848-3933

Thanks,
Joselyn and Paige
