Game Regulations due to Covid-19:

Volleyball Parents:

As we enter the 2020 Fall sports season, most if not all of our contests will have limits on attendance. This information sheet is meant to help you understand procedures for sports attendance moving forward.

SPS Parent and Student Passes.

- These will not be sold this year to avoid confusion related to vouchers.

Admission to SPS Events:

- Because no passes will be sold this Fall, the district has revised pricing for all SPS events.
 - o Kindergarten and UP = \$2.00
 - o Children = Free
 - o 65+ = \$2.00

Volleyball Vouchers:

- Each Ozark Conference school will issue 150 vouchers to volleyball parents, relatives, and Coach's Family Members.
- Upon arrival at home events and matches played at Ozark Conference schools (Camdenton, Glendale, Hillcrest, Lebanon, Rolla, Waynesville, West Plains) you will be asked to present your voucher before paying your admission.
- For matches played at non-conference schools, we will need to be flexible and adhere to the policies in place in their county and for their school.
- Each Player will be asked to communicate with their parents and their coach to determine the number of vouchers each player will need.
- Should a voucher be lost during the season, please contact the Athletic Director's office @ 417-523-8513.

NOTE: Kickapoo's gym capacity at 50% allows for 1,026 people to attend. We understand that reaching 50% capacity at our gym and most gyms will not be an issue for this sport.
